## PROFESSIONAL SUMMARY

Aspiring Cybersecurity professional with a strong foundation in computer programming, systems, and databases, complemented by hands-on experience in operational environments, client-facing roles, and leadership-driven teaching positions.

---

## WORK EXPERIENCE

### **JW Marriott** - *Guest Environment Expert*

Edmonton ICE District, AB | December 2025 - Present

- Executed guest experience operations by managing high-volume guest requests, ensuring rapid service delivery, issue resolution, and consistent adherence to luxury hospitality service standards.
- Oversaw daily housekeeping and houseperson functions, maintaining compliance with cleanliness, safety, quality assurance, and brand standards across guest rooms and public areas.
- Contributed to operational efficiency by supporting team workflow, assisting colleagues during peak demand, and reinforcing service excellence through collaboration and accountability.

### **Pickering Islamic Centre (Masjid Usman)** - *Saturday Boys' School Teacher*

Toronto, ON | Sep 2024 - December 2025

- Deliver engaging lessons to over 20 students on Quran, Qaida, Duas, Tajweed, and Islamic History, integrating digital tools to enhance participation.
- Design, assess, and administer exams to evaluate student progress.
- Recognized with the **Teacher of the Year Award (2024-2025)** for excellence in instruction.

### **Malik's Turf** - *Full Stack Web Developer*

Toronto, ON | Jun 2025 - October 2025

- Developed a multi-page website [www.maliksturf.com](http://www.maliksturf.com) (Home, Services, Gallery, About, Contact) using Next.js 15, React 19, DaisyUI 5 and TailwindCSS 4, integrating features such as live chat, service request forms with email automation, and dynamic galleries with before/after sliders.

- Built frontend and backend functionality, optimized SEO metadata, and enhanced user experience with interactive features and mobile responsiveness.
- Collaborated with the client to gather requirements and implement scalable, high-performance solutions tailored to business needs.

#### **iTrust Community Centre** – Teacher

Toronto, ON | Feb 2024 – Jul 2024

- Taught Quran, Qaida, Duas, and Islamic History to students of varying age groups.
- Created lesson plans that encouraged engagement and retention.

#### **Markaz ul Islam** – Imam & Teacher

Edmonton, AB | Jul 2023 – Aug 2023

- Led 5 daily prayers and delivered religious guidance as Temporary Imam.
- Conducted summer camp teaching sessions on Quran, Tajweed, Duas, Fiqh, Hadith, and Islamic History.

#### **Pickering Islamic Centre (Masjid Usman)** – Substitute Teacher

Toronto, ON | Oct 2022 – Jan 2023

- Taught Quran, Hadith, Fiqh, and other Islamic education subjects.

#### **Cedarbrae Pharmacy** – Pharmacy Assistant

Toronto, ON | Jul 2022 – Oct 2022

- Filled prescriptions and performed administrative tasks including document filing and prescription organization.
- Assisted customers in understanding their medications and provided a welcoming service environment.

---

## **Honours & Recognition**

- **Teacher of the Year Award (2024–2025)** – Pickering Islamic Centre
