PROFESSIONAL SUMMARY

Aspiring IT Professional with hands-on experience in software development, technical support, and collaborative problem-solving.

WORK EXPERIENCE

Pickering Islamic Centre

Sep 2024 – Dec 2025

Educator

Pickering, ON

- Delivered engaging lessons to over 45 students, integrating digital tools to boost participation and understanding.
- Designed, assessed, and administered exams to evaluate student progress and knowledge retention.
- Recognized with the **Teacher of the Year Award (2024–2025)** for excellence in instruction and classroom leadership.

Malik's Turf

Jun 2025 – October 2025

Full Stack Web Developer (Contract)

Toronto, ON

- Developed a **multi-page website** www.maliksturf.com (Home, Services, Gallery, About, Contact) using **Next.js 15, React 19, DaisyUI 5 and TailwindCSS 4**, integrating features such as live chat, service request forms with email automation, and dynamic galleries with before/after sliders.
- Built **frontend and backend functionality**, optimized **SEO metadata**, and enhanced user experience with interactive features and mobile responsiveness.
- Collaborated with the client to gather requirements and implement scalable, high-performance solutions tailored to business needs.

Cedarbrae Pharmacy

Jul 2022 – Oct 2022

Pharmacy Assistant

Toronto, ON

- Assisted in prescription preparation and dispensing, ensuring accuracy and compliance with pharmacy standards.
- Supported daily operations by managing records, processing transactions, and coordinating with pharmacists to ensure timely service.
- Maintained patient records and medication inventory with confidentiality and attention to detail.
